SLD75 LEDline 6x LED 3000K Wide Flood DALI/Push-Dim DI

Specifications

|                                |                                    |
|--------------------------------|------------------------------------|
| Material                       | 98554006                           |
| Light Source Type              | LED                                |
| LED Type                       | FORTIMO LEDLINE CREE PRO9 J-SERIES |
| LED technology                 | LED PCB                            |
| CRI                            | Min. 90                            |
| Colour Temperature             | 3000K                              |
| Lifetime                       | L80B10 @50,000 Hours               |
| Lamp Included                  | Yes                                |
| Number of Light Sources        | 6                                  |
| Binning (SDCM)                 | 3                                  |
| Light Direction                | Down                               |
| Input Voltage                  | 230V                               |
| Electrical Class               | I                                  |
| IP Rating                      | 20                                 |
| Dimming Protocol               | DALI, Push-Dim                     |
| DALI Standard                  | DALI-2                             |
| Indoor/Outdoor                 | Indoor                             |
| Distance to Lighted Object (m) | 0,1                                |
| Gross weight (g)               | 0.001                              |
