*Smart Cake Recessed 82 1x LED 1800-3000K WD Medium DE Champagne Brushed*

**Specifications**

|                                 |                                  |
|---------------------------------|----------------------------------|
| Material                        | 12413115                         |
| Light Source Type               | LED                              |
| LED Type                        | BRIDGELUX WARMDIM 6W             |
| LED technology                  | LED COB                          |
| CRI                             | Min. 95                          |
| Colour Temperature              | 1800-3000K (Warm Dim)            |
| Lifetime                        | L80B10 @50,000 Hours             |
| Lamp Included                   | Yes                              |
| Number of Light Sources         | 1                                |
| CIE flux code                   | 94 97 100 100 86                 |
| Binning (SDCM)                  | 3                                |
| Light Direction                 | Down                             |
| Optic                           | Reflector                        |
| Measured beam angle (°)         | 25.0                             |
| Input Voltage                   | Constant Current Driver Required |
| Electrical Class                | III                              |
| IP Rating                       | 20                               |
| Glow wire rating (°C)           | 960                              |
| Indoor/Outdoor                  | Indoor                           |
| Application                     | Ceiling, Wall                    |
| Mounting                        | Recessed                         |
| Cut-out size (mm)               | ø70                              |
| Mounting depth (mm)             | 100.0                            |
| Distance to Lighted Object (m)  | 0,1                              |
| Primary Colour & Primary Finish | Champagne, Brushed               |
| Gross weight (g)                | 260.0                            |
| Drive current (mA)              | 350                              |
| Min. forward voltage (Vf)       | 15,5                             |
| Max. forward voltage (Vf)       | 18,5                             |
| Connected load (W)              | 6,0                              |
| Luminous flux per lamp (lm)     | 424                              |
| Efficacy (lm/W)                 | 71                               |
| Glare rating                    | 19                               |
| Remark                          | • 3500K on request               |

The 3 original designs, Smart Kup, Lotis and Cake still manage to steal the hearts of interior designers. And this goes for the entire Smart family. Smart's accessibility and extreme versatility are arguably fit for any expression. Mix and match accent lighting, up and downlight, fixed or adjustable, a mosaic of shapes, sizes, colours and mounting options, and create a playful installation.
