*Nude Wall 70 1x LED PAR20 E27 2700K Medium Leading Edge/Trailing Edge Black Brushed Anodised*

Nude's pure geometrical lines are ideal for highlighting architectural features. A long, thin, wall luminaire with indirect light, it is completely stripped down to the essence of what constitutes a luminaire. Its light source is recessed in the slender cylinder so much so that it is practically invisible. Complement the light effect with white or black, or a row of rich colours.
