FFD_Multiple Recessed Adjustable AR111 2x DE White Structure

Twenty years after its initial launch, Multiple lives on. With its technology on full display, this design is right at home in both a minimalist and an industrial-chic environment. The gimbaled system allows you to direct the light source at just about any angle. Multiple can be installed recessed or surface mounted. The AR111 recessed variants can also be combined with the new M-LED 111.
