*Pupil Recessed Adjustable 72 1x LED 3000K Flood DE Black Structure*

Pupil è un downlight orientabile ricco di sorprese e contraddizioni. Utilizzando la natura come musa ispiratrice, il designer olandese Basten Leijh ha creato questa forma organica, eccentrica e sinuosa che dirige la luce dove non ci si aspetta. Come possono queste curve essere così funzionali? Lascia che Pupil fonda il lato minimalista e quello anticonformista che è in te.
