Smart spotlight required.</li> <li>• This is not a complete product. Smart spotlight required.</li> </ul>

An organic and popular design, the Smart Ball family loves to hang out in several places. On its own or on our 230V track, it looks like it's always belonged, with either of the three Smart designs, Kup, Lotis and Cake. Try them in a different colour than the sphere and you'll be seeing a beautiful luminaire. Add a warm dim option to create a lovely, intimate atmosphere.
