FFD Doze Round Wall Recessed 80 1x LED 2700K Trailing Edge Black Structure

Doze Round is a circular luminaire perfect for showing the way along a hallway or staircase. A stout rim in white or black and a polycarbonate diffuser make its designs simple, yet effective. What's also great about it, is that Doze Round fits into a standard electrical junction box (included), found in most modern buildings. A performant alternative for a standard recessed spot.

Efficacy (Im/W)

Glare rating

43 28
