FFD_Doze Square Wall Recessed 80x80 1x LED 2700K Trailing Edge Black Structure

Doze Square is a luminaire perfect for showing the way along a hallway or staircase, in style. A stout rim in white or black and a polycarbonate diffuser make its designs simple, yet effective. What’s also great about it, is that Doze Square fits into a standard electrical junction box (included), found in most modern buildings. A performant alternative for a standard recessed spot.
