*Smart Kup Recessed 82 1x LED 4000K Flood DE White Structure*

**Specifications**

|                                 |                                  |
|---------------------------------|----------------------------------|
| Material                        | 12471309                         |
| Light Source Type               | LED                              |
| LED Type                        | BRIDGELUX V8G8                   |
| LED technology                  | LED COB                          |
| CRI                             | Min. 90                          |
| Colour Temperature              | 4000K                            |
| Lifetime                        | L80B10 @50,000 Hours             |
| Lamp Included                   | Yes                              |
| Number of Light Sources         | 1                                |
| Binning (SDCM)                  | 2                                |
| Light Direction                 | Down                             |
| Optic                           | Reflector                        |
| Measured beam angle (°)         | 40.0                             |
| Input Voltage                   | Constant Current Driver Required |
| Electrical Class                | III                              |
| IP Rating                       | 20                               |
| Glow wire rating (°C)           | 960                              |
| Indoor/Outdoor                  | Indoor                           |
| Application                     | Ceiling, Wall                    |
| Mounting                        | Recessed                         |
| Cut-out size (mm)               | ø70                              |
| Mounting depth (mm)             | 100.0                            |
| Adjustability                   | Not Applicable                   |
| Distance to Lighted Object (m)  | 0,1                              |
| Primary Colour & Primary Finish | White, Structure                 |
| Gross weight (g)                | 345.0                            |
| Drive current (mA)              | 350      500      700            |
| Min. forward voltage (Vf)       | 13,2      13,7      14,2         |
| Max. forward voltage (Vf)       | 15,0      15,4      16,0         |
| Connected load (W)              | 5,0      7,2      10,6           |
| Luminous flux per lamp (lm)     | 630      792      1018           |
| Efficacy (lm/W)                 | 126      110      96             |
| Glare rating                    | 17      17      19               |
| Remark                          | • 3500K on request               |

The 3 original designs, Smart Kup, Lotis and Cake still manage to steal the hearts of interior designers. And this goes for the entire Smart family. Smart's accessibility and extreme versatility are arguably fit for any expression. Mix and match accent lighting, up and downlight, fixed or adjustable, a mosaic of shapes, sizes, colours and mounting options, and create a playful installation.
