

*Trapz Wall Up/Down 2x LED 2700K Trailing Edge DI Champagne Brushed Anodised - Champagne Anodised*

With their indirect lighting and subtle shadow effects, wall fixtures are undoubtedly atmosphere creators. Trapz, our organic interpretation inspired by a trapezium, is no different. The flattened cylinder has been finished with two oblique openings, which allow you to see the contrasting interior of the luminaire and immediately create an unusual chiaroscuro effect.
