*FFD\_Lotis Square Recessed 1x GU10 White Structure*

Lotis Square is a compact, square version of our successful Lotis Round series. The bulb sits deep in a conical cup, making it less visible. An IP variant for use in damp rooms and environments is also available. Then, there is Lotis Square with LED, using our M-LED 50 module. This one allows you to choose from a large range of light colours and three different beam angles (spot, medium or flood).

**Specifications**

|                                 |  |
