Qbini Box Surface 2x 1800-3000K WD Trailing Edge DI 250mA White Structure

A portmanteau of cubic and mini, Qbini Box is the modular, miniature, LED solution for extremely playful applications. Give volume to your miniature Qbini expression with our surface-mounted box (1L or 2L), and choose from all existing Qbini lights, including the general lighting module. Available with integrated or remove driver.
