## Multiple Recessed Trimless Adjustable M-LED 1x DE Black Matt

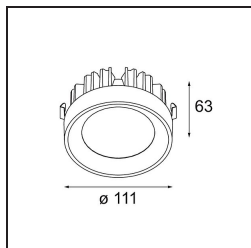

Twintig jaar na de lancering gaat Multiple nog steeds mee. Met zijn technologie in vol ornaat voelt dit ontwerp zich helemaal thuis in zowel een minimalistische als industrieel-chique omgeving. Met het cardanische systeem kun je de lichtbron in zowel elke hoek richten. Multiple kan verzonken of als opbouwmontage worden geplaatst. De AR111 verzonken varianten kunnen ook gecombineerd worden met de nieuwe M-LED 111.

### Specificaties

|                                     |                                                                                                                                                                                                                                                                                       |
