| Vita utile                           | L80B20 @50.000 ore                    |
| Lampadina inclusa                    | Sì                                    |
| Numero di fonte luminosa             | 1                                     |
| Binning (SDCM)                       | 3                                     |
| Direzione della luce                 | Diretta                               |
| Ottiche                              | Riflettore                            |
| Fascio misurato (°)                  | 26,6                                  |
| Volt in ingresso                     | Necessario driver a corrente costante |
| Classificazione elettrica            | III                                   |
| Grado IP                             | 20                                    |
| Test filo a caldo (°C)               | 960                                   |
| Interno/Esterno                      | Interno                               |
| Applicazione                         | Soffitto, Parete                      |
| Montaggio                            | Incassato                             |
| Foro d'incasso (mm)                  | ø76                                   |
| Profondità di montaggio (mm)         | 100,0                                 |
| Orientabilità                        | H 355° V 25°                          |
| Distanza dall'oggetto illuminato (m) | 0,1                                   |
| Colore primario & Finitura primaria  | Oro, Opaca                            |
| Peso lordo (g)                       | 235,0                                 |
| Corrente di azionamento (mA)         | 350      500                          |
| Min. forward voltage (Vf)            | 16,5      17,1                        |
| Max. forward voltage (Vf)            | 19,2      19,8                        |
| Connected load (W)                   | 6,2      9,2                          |
| Flusso luminoso per lampade (lm)     | 444      577                          |
| Efficienza (lm/W)                    | 72      63                            |
| Livello abbagliamento                | 14      15                            |

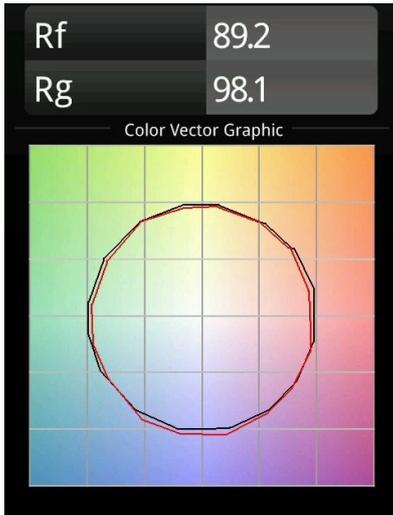

I 3 originali design Smart (Kup, Lotis e Cake) riescono ancora a rubare il cuore degli interior designer. E questo vale per tutta la famiglia Smart. L'accessibilità e l'estrema versatilità di Smart sono adatte a qualsiasi espressione. Mescola e abbina luci d'accento, up e downlight, fisse o regolabili, un mosaico di forme, dimensioni, colori e opzioni di montaggio e crea un'installazione giocosa.
