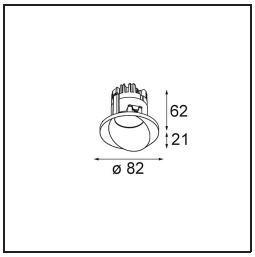
Wink Recessed 82 1x IP54 LED 2700K Medium DE White Structure



Wink may be recessed and subtle, but its technical ingenuity is nothing short of remarkable. And so is its sense of humour. As its name suggests, it likes to wink at you. The streamlined design, where elegance meets high-quality finish, results in a fixture that is half hidden in the ceiling and half peeking out. Wink 82 also fits with Wink flange, a low ring around the spot.
